NGC ADD-ON SERVICES	DESCRIPTION (Maximum values are per coin and in INR)
Early Releases / First Releases	Use this service to receive either the EARLY RELEASES or FIRST RELEASES designation for qualifying coins. Select only one. Visit NGCcoin.in/cutoffdates for a list of eligible coins and submission cutoff dates.
Special Label	Use this service to request a special NGC label. For a list of special NGC labels, visit NGCcoin.in/labels . Note: If you would like to have different special labels for the coins listed on the form, write "MIXED" on the Special Label line in Section 9 and list the desired Special Label Name and # on each line next to the coin in Section 12.
VarietyPlus	Upon request, NGC examines coins for recognized varieties and certifies with applicable designation. Choose a grading tier according to coin value. See NGCcoin.in/varietyplus for a complete list of varieties we recognize. If you would like a coin already graded by NGC reviewed for variety, do not select a grading tier. Select VarietyPlus service option. The VarietyPlus fee applies when requested regardless of whether NGC determines the coin to be a recognized variety.
Mint Error	NGC examines Mint Errors and assigns a designation. Coins will be encapsulated at NGC's discretion. Also, choose a grading tier according to coin value and desired turnaround. The Mint Error fee applies when requested regardless of whether NGC determines the coin to be a recognized mint error.
NGC Oversize Holder	Coins over 45 mm in diameter are placed in an NGC Oversize Holder. Must be submitted on a separate submission form.
Double Thick Holder	Coins 4.5 to 9 mm thick (and with a diameter of 45 mm or less) are placed in a Double Thick Holder. Must be submitted on a separate submission form.
Pedigree	Submit copies of auction lots and plates, sales invoices or other backup.
ReGrade	If you disagree with a grade assigned by NGC, you may submit the coin for review for a higher grade. The coin must be intact in its NGC holder. Choose a grading tier according to the coin's value and the tier requirements. Coins are graded according to NGC's grading standards, and a higher grade is not guaranteed. Fees are not refunded if a higher grade is not received. A coin submitted for ReGrade will be removed from its NGC holder by NGC staff and encapsulated with a new NGC holder, label and certification number, even if the grade does not change. A coin submitted under ReGrade is guaranteed to not receive a lower grade.
CrossOver	Review of PCGS-holdered coins for NGC certification. Coins will be removed from their holders and encapsulated by NGC only if NGC determines that the coins will receive an NGC grade that is the same grade or higher than the grade assigned by PCGS. If you would like your PCGS-holdered coin certified by NGC even if NGC determines that it will receive a lower numeric grade, specify ANY in the CrossOver Minimum Grade column of the NGC Submission Form. If you would like your PCGS-holdered coin certified by NGC even if NGC determines that it will receive an NGC Details grade (or a lower numeric grade), specify DETAILS in the CrossOver Minimum Grade column of the NGC Submission Form. You may not request a minimum grade that is higher than the grade that is on the PCGS holder. Coins holdered by other grading services are not eligible for CrossOver and must be removed from their holders and submitted raw (not holdered), or they may be submitted in their holders if they are accompanied by NGC's Consent to Remove Coin(s) from Holder(s) Form.
Tokens & Medals	See NGCcoin.in/tokens for a complete list of accepted types. An additional fee of ₹ 350 per token/medal will be charged if an accurate catalog number is not provided.

- Coins that are not encapsulated. Certain examinations result in a coin that is not encapsulated by NGC India. For coins that are not encapsulated because they are deemed by NGC India as "NOT GENUINE" or because they have altered mintmarks, altered dates, altered surfaces, surface residue or PVC, the full NGC India grading fee applies. For coins that are not encapsulated because they are deemed by NGC India as "QUESTIONABLE AUTHENTICITY," or not suitable for certification or have insufficient detail to identify, the NGC India grading fee is credited to your account less a ₹ 350 service fee.
