

Submission Form : On-site Grading PMG India

CUSTOMER RESPONSIBILITIES AND CHECKLIST

WHEN SUBMITTING NOTES:

- Be sure to write your name.
- Provide contact info (phone number, postal address and email address).
- **Do not mix raw and holdered notes on one submission form.**
- Submit each grading tier on a separate submission form. If multiple tiers are submitted on the same form, Marudhar Arts will charge a ₹1200 adjustment fee.
- Submit the following on separate submission forms: Fancy Serial Numbers (e.g. 99999999, 123123, 12344321), Errors, Oversize Holders and Custom Holders.
- **Notes must be listed on the submission form with the proper catalog number. If submitted without mentioning catalogue number, ₹ 413 will be additionally charged as other services.**
- For regular submissions, list each note on a separate line. For bulk submissions, list each catalog number on a separate line. Do not list more than 50 regular note submissions or 100 bulk note submissions per form. If you are submitting notes under the same tier and run out of lines, use additional submission forms as necessary and staple them together.
- Place only one note in a sleeve for regular submissions or ten per sleeve for bulk submissions.
- Place raw notes into non-PVC plastic sleeves. Use larger sleeves for larger notes. Notes should insert easily into sleeves. Placing a note in a sleeve that is too small may result in damage to the note. Remove all other packaging before placing a note in a sleeve. **Do not cut, tape, staple or glue sleeves as that may damage a note.**
- Package your notes in the order that they are listed on the submission form.
- **Sign and return all required forms with your submission.**

Turnaround times are approximate and are not guaranteed.

ALL FEES ARE IN INDIAN RUPEES AND INCLUDE GST, SHIPPING & INSURANCE

PLEASE FILL OUT THE FORM IN ITS ENTIRETY.

**Note: Box 3 must be signed in order to process your order.
Incomplete forms will result in a delay in processing.**

A ₹ 1200 per submission form fee will be assessed if the submission form is completed incorrectly (e.g., multiple tiers on one form) and requires significant adjustment.
